## UI design + development

### Grace Christian Fellowship 1/2012 - Present

#### DIRECTOR OF WORSHIP + COMMUNICATIONS

- Responsible for the design, function, and maintenance of the church website(s)
- Assists with electronic media marketing (social networking sites, widgets, Twitter, Facebook, etc.)
- Develops artwork/layouts for print and digital material including annual reports, flyers, brochures, presentations, and e-mail marketing campaigns.
- Coordinates with print houses, mailing services, and vendors related to this role.
- Trains members of the ministry team for audio visual for website maintenance and live worship presentation

### 5/2009 - Present

#### FREELANCE GRAPHIC DESIGNER/UI DESIGNER

- Partnered with small to medium-sized businesses and faith-based organizations to provide branding and marketing materials using Adobe Products.
- Created web experiences with HTML5, CSS3, jQuery, PHP, Wordpress, along with Twitter Bootstrap and Skeleton frameworks
- Portfolio Website: [www.fatimaburke.com](http://www.fatimaburke.com)

### Look Up Radio, LLC 6/2011 - 12/2016

#### MARKETING, PROMOTIONS, + DESIGN

- Designed and developed the User Interface of the [LookUpRadio.com](http://LookUpRadio.com) website using Photoshop, Wordpress, HTML, CSS, and PHP to help drive the site to be awarded Internet Radio Station of the Year 2013. Custom scripts were also created using the PHP and the Last.fm Album API.
- Developed company-wide advertising campaigns from concept, design, and implementation including corporate branding.
- Helped to spur increased social media engagement and provided online user support.

### Richard Allen Preparatory Charter School 10/2012 - 6/2014

#### DIGITAL ARTS + WEB DEVELOPMENT INSTRUCTOR

- Taught HTML coding and Computer-generated design using GIMP to students aged 9-15.
- Instructed students on Design Planning, Color Psychology, and Branding.
